

How to request a Bayhealth Medical Staff application

You may request a medical staff application by sending an email to the following email address: MedicalStaff_Credentialing@bayhealth.org

1. Request should include:
Applicant's full name (name must match name registered in PECOS)
Degree (MD, DO, PA, NP, LCSW, etc.)
Applicant's Specialty (specialty practicing at Bayhealth)
Applicant's email address
Applicant's NPI#
2. At which hospital campus the Applicant wants privileges (Kent, Sussex or both):
3. IF requesting privileges at both campuses, which campus will be the primary campus? Kent or Sussex
4. Will the Applicant be employed by Bayhealth, employed by a contracted group, private practice or a Locum Tenens? _____
5. Name of Group/Practice the Applicant will be joining: _____
6. Anticipated Start Date: _____
7. Point of Contact Name and Email Address (This person will be given access to your medical staff application on MD-App to view the status of your medical staff application and be the contact person for the Medical Staff Credentialing Team to communicate with regarding your medical staff application credentialing process.)

8. Supervising Physician (for APC's): _____

Applicant will receive an email from "Service" with the Subject: "MD-App: Begin Application for...". This is the email that contains the link to complete the online application for privileges at Bayhealth.

Please contact Jennifer Foore or Stacy Morgan at MedicalStaff_Credentialing@bayhealth.org with any questions.

Thank you.
